## Respiratory

**5251**

Honeywell 5251 - FFP2 NR D  
The 5251 FFP2 is a Non Reusable respirator with a valve, a Willtech™ full-face seal and adjustable braids for enhanced safety and comfort. The mask is Dolomite tested and ideal for high levels of safety when welding.

Art. No. 1005595

**5208/5209**

Honeywell 5208 - FFP2 NR  
The FFP2 Non Reusable respirator mask features a nose seal and twin-stapled elastics for durability.

Art. No. 1007223

Art. No. 1016833 - High Viz

Honeywell 5209 - FFP2 NR  
FFP2 Non Reusable respirator masks with a valve features a nose seal for safety and twin-stapled elastics.

Art. No. 1007224

Art. No. 1016834 - High Viz

## Spectacles

### Millennia Classic Clear

The Millennia Classic One-piece lens concept features 2 optical 9 base spherical inserts for "parallel Vision Control" and is ideal for general use protection against impact (45m/s). Its 3D ergonomically-curved nylon temples accommodate hardhat harnesses more comfortably while an adjustable break-away Flexicord retainer and universal nose piece moulded in the lens ensures durability and comfort.

Application	Art. No	Lens	Lens coating
Indoor use	1012500	Clear	Abrasion Resistant/Anti-fog
Indoor use	1006031	Clear	Anti-fog
Outdoor use	1005986	Grey TSR	Anti-fog
Outdoor use	1006032	Grey TSR	Anti-fog

## Laser Lite®

SNR 35

Laser Lite's low-pressure polyurethane foam expands gently inside the ear canal for comfortable long-term wear, while its contoured T-shape delivers easy handling. Its high-visibility colours make compliance checks quick and easy.

Uncorded Art. No. 3301105  
Corded Art. No. 3301106

## SmartFit®

SNR 30

The only multiple-use reusable earplug with Conforming Material Technology, SmartFit uses body heat to adapt to the shape of the ear canal for a comfortable and personalized fit. With a detachable cord, and optional carry case, it's the ultra-smart choice for today's workplace.

HearPack Art. No. 1011239  
Polybag Art. No. 1028476

## Quiet®

SNR 28

For great protection and comfort from a multiple-use earplug, Quiet provides consistent attenuation for all-day wear. Quiet requires no rolling. Its smooth and non-irritating skin provides all-day comfort.

Polybag Art. No. 3301172

## Earplug Fitting Instructions

HOWARD  
LEIGHT 

by Honeywell

### Foam Earplugs

With clean hands, roll the entire earplug into narrowest possible crease-free cylinder.

Reach over your head with a free hand, pull your ear up and back, and insert the earplug well inside your ear canal.

Hold for 30-40 seconds, until the earplug fully expands in your ear canal. If properly fitted, the end of the earplugs should not be visible to someone looking at you from the front.

### Multiple-Use Earplugs

While holding the stem, reach a hand over your head and gently pull top of your ear up and back.

Insert the earplug so all flanges are well inside your ear canal.

If properly fitted, the tip of the earplug stem may be visible to someone looking at you from the front.
